

MoCA

Modern and Contemporary Art

Venice

Mission

MoCA is the cultural and artistic association formed by entrepreneurs, professionals, collectors and art lovers who believe in the future of international collaborations linked to Art.

MoCA **aims to promote Contemporary Art** and **support emerging artists** by organizing cultural events and creating a growing network of opportunities, relationships and communication between artists, art lovers, culture professionals.

Organization

The MoCA Association together with Arte Laguna has founded Arte Laguna Prize and Arte Laguna World, an e-commerce portal online where over 60,000 artists have registered and daily upload and sell works to interested buyers.

The **fundamental collaboration between the four entities** actively helps emerging artists, giving new opportunities and new horizons to follow.

Members

The over 300 members of the association are among the most diverse, and they are all united by the **passion** that drives them to **give value** - each through their own possibilities - to the artistic world.

Artists

Entrepreneurs

Collectors

Art Lovers

Art Industry Professionals

Engagement

The entrepreneurs, part of the MoCA group, create each year artistic projects that can give value to the voice and career of emerging artists. From exhibitions in historical places to the creation of new projects, **each idea becomes valuable** to develop for both.
